Circular No: 2021-22/019

Date: 14/10/2021

Dear Teachers/Parents/Students,

Subject: Online short sessions and quiz on 'SECURING DIGITAL SPACE' (1st October to 31st October 2021) on MyGov Platform – reg.

You might be aware that, October 2021 is being celebrated as Cyber Security Awareness Month Globally. The objective of celebrating this is to raise awareness about the importance of cyber security and ensure that all individuals and organisation have the information they need to be safer and more secure while online.

2. As part of services of Indian Computer Emergency Response Team (CERT-In) for celebration of awareness in the area of cyber security as well as training / upgrading the technical knowhow of various stakeholders, CERT – In is observing Cyber Security Awareness Month during October 2021 by organising various events and activities for citizens as well as the technical cyber community in India.

3. In this regard, CERT – In in association with C-DAC, Noida is conducting an online session for citizens under Cyber CLOSET project. The Session covers general online safety, social media risks and safety, mobile related frauds and safety, secure digital payment practices etc. These topics have been covered with the help of videos and quizzes. There is NO fee for participation in this event.

4. This event is available on MyGov Platform from 1st October to 31st October, 2021. The participants will get certificate of appreciation online immediately after successful completion of quiz. Register and Join @
